

### **TTC Hires Caroline Peat as Project Assistant**

TTC is pleased to announce that Caroline Peat was hired on November 9<sup>th</sup> to serve as a Project Assistant for several of our non-profit associations. Specifically, she will work with Senior Staff in management of the American Biogas Council ([www.americanbiogascouncil.org](http://www.americanbiogascouncil.org)), Biomass Thermal Energy Council ([www.biomassthermal.org](http://www.biomassthermal.org)), and Renewable Energy Markets Association ([www.renewablemarketers.org](http://www.renewablemarketers.org)).

Caroline holds a Bachelor Degree in Environmental Science, minor in Political Science from the University of Maryland - Baltimore County in 2015. In her free time, she enjoys volunteering at two animal rescue shelters.
